RECITALS

WHEREAS this standardized form has been developed to facilitate the assignment and assumption of aircraft lease agreements; and

WHEREAS Existing Lessor, New Lessor and Lessee (individually a "**Party**" and collectively the "**Parties**") wish to use this Master Agreement for specific assignment, assumption and amendment agreements ("**Assignment, Assumption and Amendment Agreements**") on the terms hereof as modified thereby.

IT IS HEREBY AGREED as follows:

1. DEFINITIONS AND INTERPRETATION

The definitions and rules of interpretation specified in **annex 1** shall apply hereto and to any Assignment, Assumption and Amendment Agreement.

2. TERMS OF ASSIGNMENT AND ASSUMPTION

2.1 Terms of Assignment, Assumption and Amendment Agreement

2.1.1 This Master Agreement governs the assignment and assumption of any aircraft lease agreement described in an Assignment, Assumption and Amendment Agreement specifically incorporating the terms hereof.

2.1.2 An Assignment, Assumption and Amendment Agreement modifies the terms hereof in respect of the Lease described therein. Where an Assignment, Assumption and Amendment Agreement is executed, this Master Agreement as so modified, together with the Assignment, Assumption and Amendment Agreement into which it is incorporated, shall be **(i)** read as a single independent contract applicable to such Lease and **(ii)** referred to herein as "**this Agreement**".

2.1.3 An Assignment, Assumption and Amendment Agreement shall take the form of **annex 2**.

2.2 Assignment and Assumption

2.2.1 As of, and with effect from, the Effective Time:

(i) Existing Lessor assigns to New Lessor, and New Lessor agrees to assume, all of Existing Lessor's existing and future rights, title, benefit and interest, and obligations, covenants, undertakings, duties and liabilities under the Lease arising on or after the Effective Time and New Lessor agrees to perform all of those obligations, covenants, undertakings, duties and liabilities;

(ii) Lessee consents to and accepts the assignment to and assumption by New Lessor of all of Existing Lessor's existing and future rights, title and interest and obligations, covenants, undertakings, duties and liabilities under the Lease arising on or after the Effective Time and New Lessor's agreement to perform all of those obligations, covenants, undertakings, duties and liabilities;

(iii) Existing Lessor releases Lessee from all of Lessee's obligations, covenants, undertakings, duties and liabilities to Existing Lessor under the Lease arising on or after the Effective Time and Existing Lessor agrees that it has no further rights against Lessee under the Lease in respect of those obligations, covenants, undertakings, duties and liabilities;

(iv) Lessee releases Existing Lessor from all of Existing Lessor's obligations, covenants, undertakings, duties and liabilities to Lessee under the Lease arising on or after the Effective Time and Lessee agrees that

it has no further rights against Existing Lessor under the Lease in respect of those obligations, covenants, undertakings, duties and liabilities; and

(v) Lessee acknowledges that its obligations, covenants, undertakings, duties and liabilities arising from the Effective Time to the "Lessor" under the Lease are owed to New Lessor and Lessee agrees with New Lessor to perform all of those obligations, covenants, undertakings, duties and liabilities.

2.2.2 Each of the events and agreements in 2.2.1 is conditional upon the happening of the others and all of them shall occur simultaneously.

2.2.3 Existing Lessor, New Lessor and Lessee accordingly agree that as of, and with effect from, the Effective Time:

(i) the Lease constitutes an agreement between New Lessor, as lessor, and Lessee on the terms and conditions of the Lease; and

(ii) the leasing of the Aircraft by Existing Lessor to Lessee terminates.

2.2.4 Without prejudice to the rights of New Lessor or Lessee hereunder or under the Lease, Lessee and Existing Lessor agree that, in respect only of any obligations, covenants, undertakings, duties or liabilities arising prior to the Effective Time, each shall have the same rights and remedies against the other as it would have had if Existing Lessor had remained the "Lessor" under the Lease and this Agreement had not been executed. New Lessor shall not be responsible to Lessee in respect of any obligations, covenants, undertakings, duties or liabilities arising prior to the Effective Time, nor shall Lessee exercise any right of set-off or counterclaim against New Lessor in respect thereof.

2.2.5 Lessee agrees that it will not assert:

(a) against New Lessor, any claim or defense that it may have or have had against Existing Lessor or any other person or entity under the Lease and/or in respect of the Aircraft, in each case to the extent properly attributable to any event, circumstance, time or period occurring or falling prior to the Effective Time; or

(b) against Existing Lessor, any claim or defense that it may have or have had against New Lessor or any person or entity under the Lease and/or in respect of the Aircraft, in each case to the extent properly attributable to any event, circumstance, time or period occurring or falling on or after the Effective Time.

2.3 Amendment

2.3.1 As of, and with effect from, the Effective Time the Lease shall be amended as set out in **Appendix A** to the **Assignment, Assumption and Amendment Agreement**.

2.3.2 Save as expressly amended pursuant to 2.3.1, the Lease and all provisions thereof shall continue in full force and effect as the legal, valid and binding rights and obligations of each of New Lessor and Lessee enforceable in accordance with its terms.

2.4 Effective Time

2.4.1 This Agreement shall become effective at the time (the "**Effective Time**") specified in the Effective Time Acknowledgement, which shall coincide with Delivery under and as defined in the Purchase Agreement. Subject to 3, the Parties shall execute the Effective Time Acknowledgment on the date on which Delivery occurs under the Purchase Agreement. Lessee agrees to provide flight schedules a reasonable

time, taking into account Lessee's operations, in advance of any proposed date upon which the Effective Time is scheduled to occur, and shall confirm the location of the Airframe and each Engine as at the Effective Time.

2.4.2 At any time before the Effective Time Acknowledgement has been entered into, Existing Lessor and New Lessor may serve notice on Lessee that this Agreement is cancelled and upon service of such notice this Agreement (other than 8.13) shall terminate and be of no effect.

2.4.3 If an Effective Time Acknowledgement has not been entered into on or before the Final Cut-off Date, this Agreement (other than 8.13) shall terminate and be of no effect.

3. CONDITIONS PRECEDENT

3.1.1 Existing Lessor's obligation to execute the Effective Time Acknowledgment is conditional on satisfaction, or discretionary waiver by Existing Lessor of, the conditions precedent (the "**Existing Lessor Conditions Precedent**") (i) specified in **Part A** of **annex 3** and (ii) if any, specified in **Part I, point 6A** of the **Assignment, Assumption and Amendment Agreement**.

5. DELIVERY

5.1.1 Lessee acknowledges that the Aircraft was delivered by Existing Lessor to Lessee before the date hereof, that Lessee is in possession of the Aircraft pursuant to such delivery and that New Lessor may rely on the Certificate of Acceptance as though it had been issued to New Lessor.
