Key Features

- Access through the IR but not on the IR
- The system is optional.....don't have to use
- How you chose to use it is optional
 - Default Deny – receive messages only from senders you approve
 - Records are retained and can be downloaded at you leisure
 - Can be used from any computer, laptop or mobile device
- Easy to learn - same signing technology and terminology as IR
- Grace period - if closing down – to collect your documents

Benefits

- New benefits to CAAs on the IR
 - Free International Registry Accounts
 - Free International Registry Searches
 - New regulations governing use of IR by CAAs
- Benefits of the TCF to all- Airworthiness related documents
 - Cross Border Transfers- alignment with XBT Practitioners Guide
 - Return to Service
 - Supports industry direction - electronic records reducing cost, increasing speed
- TCF will be free to use subject to an annual account fee of \$200 to cover costs
